Vanis 3

The new Barum Vanis 3: Safety and efficiency for professionals

Enhanced mileage

The Vanis 3 is equipped with the newest tread compound generation with enhanced rolling resistance and wear performance. This makes the tire a highly efficient solution especially for commercial Van customers.

Comfort

Thanks to the closed pattern design and optimized sipe distribution there is less noise generated. Therefore, driving is very comfortable.

High safety

The advanced pattern design and block structure ensure good braking performance and reduced risk of aquaplaning for the best possible driving experience on wet and dry roads.
